

LIQUOR LICENSES GRANTED

City council was in session Friday night both as a license court and council.

At the regular session the reading of the minutes was dispensed with, after the roll call showed all the members present.

The application of Daisy Shinn for a building permit for a building on Hickman street was referred to the building committee, upon whose recommendation before adjournment the same was granted.

C. W. Furbes' application for street grade on Park avenue was referred to the city engineer with power to act.

The water works pay roll of \$76.35 and the street pay roll of \$185.05 were ordered paid.

An order was passed that a sewer be laid on Factory street and Drummond Lane, the work to be under the supervision of the street commissioner.

The regular session then adjourned.

Prior to the convening of the regular session the license court session was held with all the members present. President Harmer of the court and Secretary Cole also present.

Mr. Harmer announced that the object of the meeting was to consider and act upon applications for liquor licenses, and the applications were then taken up as they were filed with the city clerk.

Mr. McReynolds voted against every application read and Mr. Wood for all of them except that of James Boyle. The other members of the court voted for all the applications read.

When it came to Hoster's application for wholesale brewery license, L. C. Crile appeared for the Clarksburg Retail Liquor Dealers' association, composed of thirty members, with a remonstrance against the granting of a license to the Hoster company, because it had not like the other wholesale breweries signed an agreement not to sell direct to consumers. Upon motion of Mr. Smith the court adjourned until Friday night, April 27, to give an opportunity to investigate the matter.

The only application to follow Hoster's was that of Jasper Bros., and according to the interpretation made of the statute, that could not be acted on until after the Hoster application was finally disposed of.

In connection with the Loyd Duff application and just after the Duff application had been favorably acted upon, President Harmer announced that he doubted very much whether Duff could be given a license, as the mayor's docket showed that he had been convicted twice this year of Sunday selling. He said, however, he would pass on the question later.

The licenses granted are as follows:

1. Fred A. Criss, Siers building, 316 West Pike street.
2. James Boyle, Boyle building, 402 Sycamore street.
3. THE GEORGE WIEDEMANN BREWING COMPANY, Clarksburg Ice & Storage Building, Oak street, Clarksburg, West Virginia.
4. JOHN R. HICKMAN AND CHARLES H. JONES, trading as Hickman & Jones, Jamieson Building, 337 West Pike street, Clarksburg, West Virginia.

Nature's Way Is Best.

The function strengthening and tissue building plan of treating chronic, lingering and obstinate cases of disease as pursued by Dr. Pierce, is following after Nature's plan of restoring health.

He uses natural remedies, that is extracts from native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in just the right proportions.

Used as ingredients of Dr. Pierce's Golden Medical Discovery, Black Cherry-bark, Queen's root, Golden Seal root, Bloodroot and Stone root, specially exert their influence in cases of lung, bronchial and throat troubles, and this "Discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic cough, catarrh and kindred ailments.

The above native roots also have the strongest possible endorsement from the leading medical writers of all the several schools of practice, for the cure not only of the diseases named above but also for indigestion, torpor of liver, or biliousness, obstinate constipation, kidney and bladder troubles and catarrh, no matter where located.

You don't have to take Dr. Pierce's say-so alone as to this; what he claims for his "Discovery" is backed up by the writings of the most eminent men in the medical profession. A request by postal card or letter, addressed to Dr. R. V. Pierce, Buffalo, N. Y., for a little book of extracts from eminent medical authorities endorsing the ingredients of his medicines, will bring this little book free that is worthy of your attention if needing a good, safe, reliable remedy of known composition for the cure of almost any old chronic, or lingering malady.

Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic.

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Adviser. A splendid 1000-page volume, with engravings and colored plates, a copy, paper-covered, will be sent to anyone sending 21 cents in one-cent stamps, to pay the cost of mailing only, to Dr. R. V. Pierce, Buffalo, N. Y. Cloth-bound, 51 stamps.

YOUTH PLEAD INFANCY ACT

Several years ago Harry Core bought some goods from A. J. Smallwood, who formerly conducted a store in this city. Payment was never made. Suit was brought before Squire David and the case was heard this morning. Core plead the infancy act. He stated that he was under age at the time the goods were bought and that he is yet under twenty-one. The squire had to dismiss the suit at the cost of the plaintiff.

Gardian Qualifies

Tensie Franklin qualified Saturday in the county clerk's office as guardian of George E. Franklin, son of William H. Franklin, deceased, giving bond of \$1,500 with Hugh M. Martin as surety. George Nuzum, S. A. Elliott and Joseph Bartlett were appointed appraisers of the estate.

BUG HOUSE WOMAN SOUSES TURNKEY

Mary Martin, the young colored woman in the county jail, who is being held until the examination as to her sanity is completed, is very ungrateful to her nurses. Turnkey Ramsey and Deputy Sheriff Jack Knox. Friday when Ramsey was passing in her dinner one of the articles on the menu card was a big pan of delicious boiled beans. They were so nice and soupy. She accepted them gracefully enough. The turnkey never suspected anything until he felt the whole mess streaming down his body. Mary threw the entire bunch of beans, soup and all. Ramsey's blue serge somewhat resembled the uniform of a reduction factory employee. Mary is lots better than she was a few weeks ago. Now she condescends to wear clothes and eats occasionally.

POSTMASTER KIDD DENOUNCES HERALD

J. E. Kidd, postmaster at Adamston, denounces an article in the Herald of April 20, about the conduct of the postoffice at Adamston as a malicious lie of the whole cloth and that there is not one scintilla of truth in the article. He informs the public herein that the office is run in an accommodating manner and that the rules and regulations provided for by the Department are strictly and carefully complied with. Any postoffice inspector can come into the office at any time and at all times and find the office in the required condition. He is very indignant that any one or any newspaper should stoop to such a contemptible act as to try to bring the office into disrepute.

Scrofula ?

Scrofula arises from poor, thin, watery blood. It cannot exist with pure, rich, red blood coursing through the veins and arteries. In order to enrich and cleanse the blood, the digestive organs must be stimulated and toned up so that they take the best from food, and the liver and kidneys must be stimulated to carry away blood impurities.

Johnston's Tonic Capsules cure scrofula by purifying the blood. All tissues of the body are fed, maintained and cleansed by the blood. The blood contains, at one time or another, everything which is about to become a part of the tissue and everything which has served its purpose, been discarded and ceased to belong to them, thus it is both the scavenger and the food-provider of every cell of the body.

It is as important that the worn-out particles and impurities of the blood be removed as that new and wholesome material be provided, for the presence of the one poisons the tissues, and the lack of the other starves them. For over 40 years Johnston's Tonic Capsules have been held in high esteem as a most reliable and satisfactory remedy for scrofula, rheumatism, eczema, old sores, painful swellings, keracals and enlarged glands, catarrh, scurvy, boils, liver complaint, dyspepsia, jaundice, constipation, kidney troubles and a long list of common ailments and ills.

We have great confidence in this medicine, a confidence born of many years' experience with it, and we make the following extraordinary offer: Send us a dollar for a large box of Johnston's Tonic Capsules, or buy the same of dealer whose name appears below, use half of them, and if you are not satisfied, mail the balance to us and we will return your money. Test them at our risk and be your own judge. Michigan Drug Co., Detroit, Mich.
